

# Mid-gut bleeding: clinical cases, diagnosis and therapy webinar

Wednesday 17 June, 19:00–20:00 CET (18:00–19:00 BST)

Professor Reena Sidhu (UK)

Professor Anastasios Koulaouzidis (Denmark)

Professor Reena Sidhu and Professor Anastasios Koulaouzidis would like to invite you to join the iCARE webinar on mid-gut bleeding. The webinar will cover case studies and angiectasia management.

Join us on 17 June to learn more about mid-gut bleeding, with practical evidence-based insights from an expert panel. There will be an interactive question and answer section with webinar attendees.

The expert panel will comprise:

**Chairs:** Professor Reena Sidhu & Professor Anastasios Koulaouzidis

**Mid-gut bleeding: panenteric CE or SBCE?**

Professor Ervin Toth (Sweden)

**Rare case of mid-gut bleeding**

Dr Pablo Cortegoso Valdivia (Italy)

**Management of angiectasia – buzz or meds?**

Dr Stefania Piccirelli (Italy)

Please put the date in your diary. No registration is required. We look forward to sharing this learning opportunity with you. Joining details will be available on the iCARE website nearer the event. [www.icaregroup.org](http://www.icaregroup.org) The webinar will be recorded.

Supported by Jinshan.
