

Small bowel polyps webinar

Thursday 3 September, 19:00–20:00 CET (18:00–19:00 BST)

Hon. Prof. Dr. med. Martin Keuchel (Germany)

Prof. dr n.med. Wojciech Marlicz (Poland)

iCARE would like to invite you to join a webinar on small bowel polyps. The programme will cover principles on surveillance of polyps and tips and tricks of small bowel polypectomy.

Join us on 3 September to learn more about small bowel polyps, with practical evidence-based insights from an expert panel. There will be an interactive question and answer section with webinar attendees.

The expert panel will comprise:

Chairs: Hon. Prof. Dr. med. Martin Keuchel & Prof. dr n.med. Wojciech Marlicz

**Managing polyps in SB – when
& how to survey**

Professor Xavier Dray (France)

**Clinical cases of SB polyps with videos. Two cases using DAE:
tips & tricks, underwater & use of accessories**

Dr Peter Baltes (Germany)

Dr Luca Elli (Italy)

Please put the date in your diary. The webinar will be on Zoom. No registration is required. The webinar will be recorded and available on the iCARE website after the event. We look forward to sharing this learning opportunity with you.
